LEAGUE
BALL FIELD

"Miracles Happen To Those That Believe..."

The Betty and Bobby Allison Miracle League Ball Field at Dan Kinney Park is a collaborative project funded by community donors, grants and a portion of the Greene county-wide Parks tax.

This field makes it possible for individuals with physical and mental disabilities to achieve their dream -- to play ball. These athletes get a reprieve from their daily challenges as soon as they step or roll out onto the ball field.

The Miracle League field is a specially equipped, custom designed field with a cushioned synthetic turf that allows individuals using wheel chairs and walkers to glide unrestricted without fear of injury. This is a level playing field where athletes with disabilities can hit, run, catch and play ball.

In addition to our numerous community donors and sponsors this project is supported by Rotary Club of Springfield North and Community Foundation Of The Ozarks. It is with great community support and excitement that we are able to bring you the Betty and Bobby Allison Miracle League Ball Field.

Play Ball

The Miracle League will feature both Spring and Fall leagues.

The Springfield-Greene County Park Board offers individual scholarships for those who meet the guidelines.

Buddy Program

Players with special needs aren't the only ones who benefit from the action on the field. Through the "buddy" program, community volunteers partner with our players to provide assistance and encouragement. This partnership benefits both sides as they share the great American pastimes, of baseball and softball, to find common ground and friendships.

Buddy - Assist players
Coach - Coordinate team activity
Assistant Coach - Assist coach with team
Team Parent - Assist coach and players as needed

If you would like to become more involved with the Betty and Bobby Allison Miracle League Ball Field please contact us at 417-837-5808 or visit www.parkboard.org/miracle_field.
